

As if you were at the end of the world...

The Pointe de l'Espiguette offers visitors the largest beach in the South of France: 13kms long and 700m wide. Located 1400 m away from the camping-village, one section is reserved for naturists. This beach, easily located thanks to its famous lighthouse, is readily accessible thanks to the bikes which are provided in all the rented units. Preserved and as unspoiled as it ever was, hidden up between dunes and pine forests - a different idea of the Mediterranean.

Meeting up again is such a pleasure...

Pampered leisure time

Planned days, organised down to the minute, is not what Secrets de Camargue is all about! A pleasant lagoon-pool, measuring 360 square metres, the gentle movements of aquagym, the solarium, relaxation techniques, the piano-bar atmosphere which is the essence of the Lodge-Club: these things are enough to set the rhythm of your day. The Lodge-Club, looking out over the pool and the dunes of l'Espiguette, is the heart of the village: breakfast full of vitamins, lunch under the sunshade, dinner among friends, a colourful cocktail in the lounge area - from morning till night, whatever you are looking for, we will welcome you there. Enjoy the friendliness of our (live) musical or themed evenings, play pool or board games, borrow books in 4 languages from our library, or read the national and international press.

Such hospitable neighbours!

You can take advantage of the facilities offered by the neighbouring campsite of «Les Petits Camarguais», 400m away, where you will find a bakery, takeaway, little supermarket, newsagent, cash machine and great events in the evening. If you prefer to spend the evening at a disco, you will find «La Petite Camargue» 8km away, for an evening of celebration! The camping-villages of «Les Petits Camarguais» and «La Petite Camargue» are under the same management, and both have signed up to the "Yelloh ! Village" charter.

Nestling in the heart of one of the most beautiful parts of the Mediterranean coast, between sky and earth, dunes and pine forests, lagoons and vineyards, Secrets de Camargue cultivates the refined elegance of a top-class open-air hotel.

Whether you are coming as a couple or with friends, you will love the peaceful atmosphere of this new concept in camping-villages.

To preserve this atmosphere, there are no provision for children and teenagers – they are welcome in our two other camping-villages. Do not hesitate to contact us.

Refined decor

Elegant materials provide a cosy setting, with wooden structures, thatched camarguais roofs on the main buildings, and pale sand everywhere. The decor is calming, for a guaranteed change of scene.

Happiness lies in little things

A «Honeymoon special» is reserved for newly-weds: a surprise and a bottle of champagne awaits them, to keep their happiness sparkling. Because the Camargue is a land of passions, because the region has so many important sites (the Mediaeval town of Aigues-Mortes, the amphitheatre at Nîmes, the Pont du Gard aqueduct, and so much more), and so that you can really enjoy the beach, you can drop anchor at Secrets de Camargue in this little corner of l'Espiguette and reserve your accommodation for the whole season.

Well appointed cottages

Set on sand, topped with Camargues thatch, surrounded by Mediterranean plants and little wooden fences, the cottages combine natural qualities with luxurious comfort. With carefully-chosen fittings, air-conditioning, a wooden deck with one or two bedrooms and «king-size» beds, you will find your accommodation very cosy. Bikes are provided for you to get to the beach - without restrictions - and to explore the surrounding area. For lovers of more «traditional» camping, luxury pitches welcome tents, caravans and campers.
